

Equipment Lease Protection (ELP)

EQUIPMENT LEASE PROTECTION (ELP)

Coverage: The ELP is an optional service that limits your responsibility for repair or replacement costs if equipment is lost, damaged, or destroyed during your rental.

Limits:

- 10% of the equipment's value for lost items (up to \$500 per item).
- 10% of repair costs for accidental damage (up to \$500 per item).
- Any tire repair costs over \$50.
- No charges for rental fees during the repair or replacement period.

Cost: If you choose to add the ELP, it costs 15% of the total rental charges (plus applicable taxes).

Conditions: To benefit from the ELP:

- You must accept and pay for the ELP before the rental starts.
- You must comply with all terms of the rental contract.
- Your account must be in good standing.

Exclusions: The ELP does not cover:

- Intentional misuse.
- Equipment not reported as lost within 48 hours to the police.
- Damage from natural disasters (floods, storms, etc.).
- Equipment accessories not covered by the ELP.

Important: The ELP is not insurance and does not cover liability for injuries or property damage. It only reduces your financial responsibility for certain types of loss or damage.
